'90 as compared to April '89 are as under:—

(Figures in '000 tonnes)

	Linkage	Receipt	% Materialisation
1988-89			
Oct. '88-Dec. '88	2770	2394	86
Jan. '89-March '89	3080	2572	84
1988-89			
Oct. '89-Dec. '89	2730	2387	87
Jan. '90-March '90	3270	2520	77
April '89	1050	759	72
April '90	1138	756	67

The decrease in percentage materialisation during Jan.—March, 1990 and April '90 is mainly on account of substantial increase in linkage of coal during this period.

Coal supplies made by CIL to Gujarat for other sectors in the last two quarters of 1989-90 and during the corresponding periods of the previous year are given in Statement I. [*See* Appendix CLIV, Annexure No. 60] Supplies made (by rail only) during April '90 and April '89 are also given in the Statement II. [*See* Appendix CLIV, Annexure No. 60.]

(b) and (c) On 12-5-1990, a message was received from the Government of Gujarat regarding short supply of coal to textile and ceramic industries and coke to foundry units of Gujarat and requesting for 7 rakes of coal. CIL has been asked to step up coal despatches for industrial consumers of Gujarat. Since 12-5-1990, 7 rakes from SECL and 2 rakes from WCL have been despatched for textile, ceramic, pottery and other non-core sector consumers of Gujarat as per the following details:—

Textile	= 4 rakes
Potteries/Ceramic and Glass	= 2 rakes
Heavy Chemicals	= 1 rake
Others	= 2 rakes
	9 rakes upto 18-5-1990

Public Sector Undertakings engaged in manufacturing of photographic goods

*262. SHRI V. GOPALSAMY:

SHRI PASUMPON THAKIRUTTINAN:

Will the Minister of INDUSTRY be pleased to state:

(a) what is the production capacity of Public Sector Undertakings engag-

ed in manufacturing of various photographic goods;

(b) how much of the capacity is being utilised by each Public Sector Undertaking for the last three years, yearwise;

(c) whether during this period any imports of photographic goods have been allowed by Government; and

(d) if so, what are the details thereof and the reasons therefor?
